There will be an activity/ trip per day (the more people that attend the cheaper the activity/ trip will be) these will be announced at beginning of the holiday. The holiday is also open to investigators and non church members that will keep church standards(E.G there will be no drinking and smoking on the camp site, standard dress code applies ETC ETC) this is a self catering holiday so you will need your own tent/ caravan, food and cooking utensils. the owner of the camp site has a tuck shop facility which is open daily (to which depending on numbers attending he may include breakfast baps/ sandwiches) if interested in this please let me know when booking.
